The subscription: Travel for 12 months and pay for 10 months

There are many reasons to use VVS buses and trains. One of them is the low price. With our subscription, you travel for 12 months but you only pay the price of 10-month tickets. Moreover, you avoid traffic jams, the nerve-racking search for a parking lot and high petrol prices, and you do something for the environment.

With monthly direct debiting you can save up to 388 € each year.

With the subscription you get the price advantage of the annual ticket. And the great thing is: the amount can be debited directly each month. This saves you up to 388 € a year. Your subscription centre will send you the subscription to your home address. Get your subscription now – you can use the order form in this leaflet or you can directly order your subscription online under www.vvs.de

All advantages of the subscription at a glance:

- **Inexpensive:** You save the price of two monthly tickets or up to 388 € a year.
- **Flexible:** You decide whether the subscription fee is debited monthly or yearly.
- **Comfortable:** No running about, no queuing, the subscription ticket will be sent to you on time and free of charge.
- **No restrictions:** With your subscription you can travel in the selected tariff zones as often as you like.
- **Friendly to the environment:** Compared to driving a car, you save two thirds of CO₂.
- **Friendly to families:** On weekends and public holidays, you can take along up to three children or all your own children (up to 17 years of age) free of charge*; if you have TicketPlus, you can also take one adult along.
- **Fair:** You can cancel your subscription at any time. The price will be refunded or subsequently debited on the basis of the monthly ticket.
- **Guaranteed:** If a delay occurs or a bus/train is cancelled and this is the fault of VVS, and if you reach your destination more than 30 minutes later, the mobility guarantee* takes over taxi costs up to 35 € (50 € in the case of TicketPlus).
- **Multiple value:** Subscription customers are offered exclusive access to the VVC bonus section on vvs.de with many vouchers in the fields of culture, leisure and shopping.

* This does not apply to the 2 pm junior ticket
